To: Mark Arsenault <mark.arsenault@globe.com>, "Ryan, Andrew" <andrew.ryan@globe.com>, "McGrory, Brian" <brian.mcgrory@globe.com>

Please find below a statement from Mayor Walsh.

"When I was head of the building trades my role was to advocate for more jobs for working men and women in the Greater Boston region. Since becoming Mayor of Boston, I have changed the development process to be **more open and inclusive**. Bottom line, no one gets any special treatment under my Administration - developers, contractors or unions."

Thank you,
Laura
